Many people are afraid of ghosts. Few people are afraid of germs. Yet the germ is a fact. It is a fact that the germ could be magnified to a size equal to its body. It would appear more terrible than a fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it a scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a low cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system, clogs impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or other intoxicant.

"Your 'Golden Medical Discovery' is a sick man's friend," writes Geo. N. Turner, Esq., (Ex. Financial Secretary International Brotherhood of Teachers, 225 California Street, Denver, Colo.) "For the past seven years my health gradually failed. I lost my appetite, became nervous and delirious, very despondent and unable to sleep. No medicine helped me until I tried Dr. Pierce's Golden Medical Discovery. It put new life into my veins and increased vitality until I could once more enjoy life and attend to my business. Eight bottles effected a complete cure and gladly do I recommend it."

Dr. Pierce's Pellets—only one or two a day will regulate and cleanse and invigorate a foul, bad stomach, torpid liver or sluggish bowels.

SCIENCE PREVENTS BALDNESS.

The Fatal Germ and Its Remedy Now Facts of Science.

It is the rarest thing in the world for a man to be necessarily bald. No man whose hair is not dead at the roots, need be bald if he will use Newbro's Herpicide, the new scalp antiseptic. Herpicide destroys the germ that cuts the hair off at the root; and cleans the scalp of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely bald. In less than a month Herpicide had removed the enemies of hair growth, and nature did its work by covering his head with thick hair an inch long, and in six weeks he had a normal suit of hair. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatic.

Kodol Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 3 times as much as the trial, or 50 cent size.

PAKE DIAMONDS.

Judge McMahon, in General Sessions in New York, yesterday instructed acting District Attorney Nott to call the attention of the grand jury to the practice which many pawnbrokers have adopted of substituting fake diamonds for valuable stones pawned with them. Only a few days ago Arthur Yost was arrested for having stolen diamond earrings worth \$100 from Rose Goldfish. Yost pleaded guilty before Judge McMahon and was sent to the Elmira Reformatory. He told the police that he had pawned the earrings at Louis Rosenberg's pawn shop. Rosenberg was summoned and ordered to turn the earrings over to Mrs. Goldfish. Mrs. Goldfish got back what she thought were her earrings. When she went home that night she began to worry. The diamonds did not sparkle. She became suspicious, and examined them by the gaslight. They looked all right as to size and shape, but there was not the same lustre.

The next day she consulted several jewelers. They told her that she had pieces of glass for diamonds. Then she went to the jeweler from whom she bought her earrings, and he informed her that she had the cheapest kind of glass in the earrings. Without getting any more advice Mrs. Goldfish carried her story to Judge McMahon. He sent for the pawnbroker. Rosenberg has been in business a number of years. He said he had given the thief \$25, and that he had been fooled, too. He thought the pieces of glass were real diamonds, he said.

Judge McMahon said: "A short time ago a friend of mine who stops at the Manhattan Club lost a pin worth \$1,800. He told me about it, and I had the detective bureau make an investigation. A bellboy was suspected and arrested. He admitted his guilt and told where the pin had been pawned. "The pin was cheerfully returned to my friend, who identified it as his property, by the pawnbroker. He was mightily pleased over getting the pin back. He decided to be more careful of the pin, and one day went to a jewelry establishment to have the stones, a diamond and emeralds, tightened in their settings. Great was his shock when he was told by the jeweler that very good imitations had been substituted for the originals."

When the news got along Broadway last night that an investigation would be made there was a "good deal" of worry among the sports who have had their "uncles" minding headlamps during the summer. It was noticed that a number of persons were seeking information from the jewelry stores that keep open after hours.

To Honor the Virgin Mary.

In accordance with his annual custom, Michael Brochino, who lives near Baltimore, will hold a celebration today at his home in honor of the Virgin Mary, to whom he gives the credit for his escape from death 36 years ago. Brochino, who is 54 years old, came to America from Italy 19 years ago. He was born near Naples, and when 16 years old had an illness which threatened to terminate fatally. For many months he was tortured by an intermittent fever, and the physician gave the family no hope of his recovery. August 23 of the year of this illness he had not slept for three days and lay wishing for death. Brochino says that he prayed for death to end his sufferings his gaze became suddenly fixed on a large painting of the Madonna, which hung in his room. He looked on the picture for a long time, and at last the soulful eyes of the Virgin seemed to grow even more tender and the lips to breathe compassion upon him. Soothed and relieved he fell asleep. He slept for 24 hours and when he awoke he called for food. He recovered rapidly, and in a few weeks was up and about. He then formed a resolution that August 23 of each year he would hold a celebration to the Virgin in gratitude. So far he has never failed to keep his vow, and every anniversary of the beginning of his ceremonies which usually end with a parade, at the front of which is carried a picture of the Madonna, Brochino will have an Italian band to furnish music for the occasion and his home will be profusely decorated with lanterns.

A Singular Case.

Physicians yesterday pronounced dead 30-years-old John Emenheiser, of East Prospect, near York, Pa., who fell into an abnormal slumber last Wednesday, from which he was not aroused. Emenheiser's relatives refuse to believe the man dead, and will keep his body until next Saturday before putting it in the grave. When the interment is made an apparatus will be used by which air will reach the coffin in the event that Emenheiser awakes from a slumber that, to all appearances, is death. Watchers are sitting by the young bachelor's body and will remain day and night, being relieved every four hours. They will watch closely for any signs of life which the supposed dead man may manifest. Emenheiser was in apparent good health at noon on Wednesday, when he went to his bed to indulge in a before-dinner nap. Profound sleep came upon him, and his case caused much marveling among the physicians.

Conviction Follows Trial

When buying loose coffee or anything your grocer happens to have in his bin, how do you know what you are getting? Some queer stories about coffee that is sold in bulk, could be told, if the people who handle it (grocers), cared to speak out.

Could any amount of mere talk have persuaded millions of housekeepers to use

Lion Coffee,
the leader of all package coffees for over a quarter of a century, if they had not found it superior to all other brands in Purity, Strength, Flavor and Uniformity?

This popular success of LION COFFEE can be due only to inherent merit. There is no stronger proof of merit than continued and increasing popularity.

If the verdict of MILLIONS OF HOUSEKEEPERS does not convince you of the merits of LION COFFEE, it costs you but a trifle to buy a package. It is the easiest way to convince yourself, and to make you a PERMANENT PURCHASER.

LION COFFEE is sold only in 1 lb. sealed packages, and reaches you as pure and clean as when it left our factory.

Look-head on every package.

Save these Lion-heads for valuable premiums.

Cowhided by Jealous Wife.

Flourishing a rawhide whip, which she snapped viciously through the aisles of a big department store in Asbury Park yesterday morning, Mrs. Emma Cohen, wife of a local business man, rushed to the stationery counter, and, leaning over, struck Miss Emma Stager, one of the prettiest salesladies in the store, a stinging blow on the shoulder. "Will you let my husband alone?" she screamed, and the whip, with a whirl, landed a fresh blow on the young woman's head. A third time she wound the whip about the face and shoulders of the young woman and then bystanders intervened. During Mrs. Cohen's absence in New York somebody wrote her a letter, in which Cohen was referred to as a recent spouse, who was giving more time and attention to the pretty saleslady than prudence and a proper conception of his married state would justify. Mrs. Cohen was told that she had better come right back to Asbury Park. She did so and the episode of yesterday resulted. After the chastisement Miss Stager refused to admit even a passing interest in Cohen, but she promises to pay her respects to the wife later on. Miss Stager's face was badly lacerated.
